**Sell your Used excess or New obsolete
 Backup computer media\$\$\$**

Tri-Magnetics Corporation is interested in buying your excess of used and new obsolete backup computer media. We re-certify and destroy all types of magnetic media. We are particularly interested in purchasing the following backup media: 3420 round reel, 3490E, 3590, DLT, 4mm-125m, 4mm-150m, 8mm-170m or any higher capacity tapes. However, if company policy demands that your used tapes are destroyed, we provide a destruction service that is secure and environmental.

Please fill in the form below and fax to 559-251-3378 to receive a quote \$\$\$

Note: all media received at our facility are kept in a locked, enclosed storage area to ensure the security of materials received. In addition, each unit of media is properly degaussed (erasing any data from the physical tape) and either re-certified or disposed of, according to customer requirements. Certificates of destruction are provided to all companies who choose to destroy their media.
